

Powerful Tools FOR Caregivers

Powerful Tools for Caregivers classes help caregivers take better care of themselves while caring for a friend or relative. Whether you provide care for a spouse, partner, parent, friend, or a child with special needs; at home or in a care facility; whether down the block or miles away, yours is an important role. This course is for family caregivers like you!

The classes give you tools to help:

- Reduce stress
- Improve self-confidence
- Manage time, set goals, and solve problems
- Better communicate your feelings
- Make tough decisions
- Locate helpful resources

This six-week class series gives you the confidence and support to better care for your loved one – and yourself.

In the class, caregivers receive *The Caregiver Helpbook*, which follows the curriculum and provides additional tools to address specific caregiver issues. *The Caregiver Helpbook* can be ordered as a resource at www.powerfultoolsforcaregivers.org.
