FREQUENTLY ASKED QUESTIONS

How do I access the program application?

The application can be found on our website (follow this path):

[www.scvan.org](#) >Our Services>Financial Relief for Victims>Portal Here>Emergency Fund>Forms

You will need to access our secure portal (password: SCVAN1234)

****Very Important: This password should NOT be given to victims****

Who can submit a request for a prescription with this program?

Requests can be submitted only by a service provider (SANE, ER Nurse, etc.) that has assisted in conducting the exam with the victim.

How long is the approval process for a prescription request?

The approval can take 1 to 24 hours. We do our best to approve applications as they come in. There are times we are away from our desks and do not have access to submit the authorization form.

What pharmacies are participating in this program?

Currently, we are only contracted with Walgreens. If you do not have a Walgreens in your area (or nearby), please contact us for more options. The list of Walgreens pharmacies by county is attached to this information packet.

What is the process after I submit an application?

After an application is submitted and processed. We will send an authorization form to the Walgreens store noted on the form via fax. Once we enter the application into our system, you will receive an approval code via email. This approval code is for your records only.

The victim will need to take the original prescription to Walgreens for them to fill (or you can send it electronically to the pharmacy directly).

Does the incident have to be reported?

No, the incident does not have to be reported. However, if it is reported, we ask that you include the name of the reporting Law Enforcement Agency and include the case number if it's provided to the victim, on the application.

Where do I submit the application?

The application can be submitted via email or fax.

Email: sanerx@scvan.org
